Dear Dr.:

I have been trying to wait for an answer from Jacksonville about the game Easter Sunday, before answering you, but I decided I had better write you, as you may start to think I had changed my mind about coming to Daytona to train.

Well the fact is, you can arrange for us and I expect at this time there will be 14 men in camp. The men who are now playing ball in Puerto Rico, will not be back in time to come to camp, then too they do not need any training. The truth is they need a rest. The Eagles have four of their regulars in Puerto Rico, and we may use a couple more men who are there now.

The price you quoted, \$3.00 a week for rooms, two men in a room, and 25 cts. a meal is satisfactory. We plan to leave April 3rd, and arrive in Daytona April 5th. If you find out in the meantime we cannot have the park that soon, please let me know as there is no use being there and not having a place to work out.

I have written and asked The Jacksonville Red Caps to play us in Daytona Beach Easter Sunday. I will let you know as soon as I hear from them.

Thank you very much for your kind cooperation. Expect to hear from me soon.

Very Truly Yours
